

bornlearning™

together, we shape their learning...

Research shows that a child's brain develops most dramatically in the first five years of life. That is why First 5 Ventura County and United Way of Ventura County are proud to sponsor Born Learning, a public engagement campaign helping parents, grandparents, and caregivers explore ways to turn everyday moments into fun learning opportunities. At the Born Learning website you'll find quick tips for learning on the go, information about a child's ages and stages, and much more.
